

# Whitemouth and District Lions Club

the event.

What makes it such a special event for a community of approximately 300 people? To many, it is the thrill of having a beautifully decorated train with thousands of lights stopping in our town. To the youth, it is the performances of some of Canada's best musicians who volunteer their services. To the organizers, it is the joy of seeing several community organizations pull together. To the volunteers on traffic control, it is the people walking down the street with bags destined for food banks. And to others, it is the smiling faces of the crowd in awe of the magnitude of the event.

To sum up, the goal of the CPR Holiday Train is to spread holiday cheer and generate support

(food and monetary) for local Food Banks. To our Club, it is the joy and satisfaction of working towards that end.

Calvin Kirby, Whitemouth and District Lions Club

MERRY CHRISTMAS TO  
ALL AND TOO  
ALL A GREAT  
NEW YEARS
