THANK YOU !!!!!

I am overwhelmed by the support and encouragement I received from you at the Mid-Winter Convention. Pat and I were humbled by all of you who came up to us and wished us well and told us you were behind us. It meant the world to us. I promise to do my best to deserve your trust as District Governor.

Congratulations 1st VDGE Joanne. I was very moved by your speech on Sunday morning about seeing the big picture and finding our Lion moment. Both you and PDG Wayne have been good friends and I have always enjoyed your company and valued your counsel. I know that Joanne will make an excellent leader for this District and I look forward to working with you over the next few years as we move into the future.

I was so happy that you accepted the nomination and were elected 2nd VDGE Dave. You were a little hesitant to allow your name to stand but I was confident that you were ready. I know that when you got home on Sunday and were able to speak with your father Roly, he must have been bursting with pride. You and Barb are going to make us all proud.

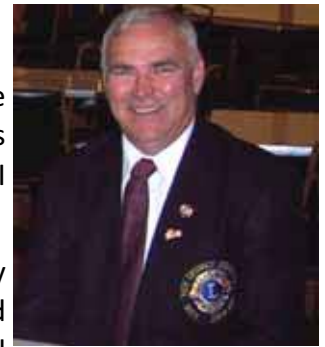

Fellow Lions;

If you were not at the Mid-Winter Convention, you missed a GREAT one. The facilities at the Alerus Centre are fabulous and the service was superb. I am almost ready to suggest that we make this year's convention committee a permanent group because they did such a good job. The St. Hillarie Lions, Plumber Lions, and the Plumber Lions Too can hold their heads high. They were wonderful. Everything ran like clockwork and was on time.

Now is the time to be looking back over the year so far and seeing where we are. Have we met the goals we set for ourselves and our clubs at the beginning of the year? How are we doing on meeting District Governor Jeannine's challenge to us to have every club with a net gain in membership for the year? I know some clubs are there, but what about the rest of us? Let's all redouble our efforts to offer our friends and neighbours the opportunity to serve their communities like we do. Let's give them a chance to feel as good as we do when we help someone in need. Let's allow them to experience the sense of accomplishment that we get by following our motto of "WE SERVE"

"Never doubt that a small group of committed people can change the world. Indeed, it is the only thing that ever has." Margaret Mead
