**Mid-Winter Convention.** If you haven't yet registered for the Mid-Winter Convention January 29-31 at the Alerus Center/Canad Inns in Grand Forks, you are reminded to do so soon. Every club should be represented to act on the business of the District; clubs are entitled to voting delegates according to their membership (one delegate for every ten members or major fraction thereof). I especially encourage newer members and "First Timers" to take in the Convention – you will not only learn a lot about our organization but have the chance to meet other great Lions from throughout our District. See the front page Convention article, a Mid-Winter Checklist, and the registration form for details. We promise a whole lot of fun for everyone, and I look forward to seeing many of you there!

**2<sup>nd</sup> Vice District Governor Candidates.** As of this writing, we do not yet have a candidate for 2<sup>nd</sup> Vice District Governor. There are a number of qualified candidates who I would encourage to consider serving in District leadership. (The qualifications are listed elsewhere in this newsletter.) If you are interested, please contact me or current 2<sup>nd</sup> VDG Joanne Swanson for more information.

Here's an old Irish toast for the New Year: *"In the New Year, may your right hand always be stretched out in friendship, never in want"*.

And always remember to "Reach for the Stars!"
