Winnipeg South Lion is Honored

At the Christmas supper party for Winnipeg South Lions Club, President Lion Bob Weller is presenting Lion Agnes Scott a picture of One Lions Park Square. This is a Lions Life Lease Building on 65 Paget Street, Winnipeg, Mb. Lion Agnes was heavily involved in the building of this Life Lease Building. The attached plaque expresses appreciation of her dedication in Lions.

President Lion Bob is presenting Lion Agnes with a Lifetime Membership in the Winnipeg South Lions Club.

Lions Agnes has been a Lion for at least 15 years with the Winnipeg South Lions Club and was instrumental in keeping the club going at a point several years ago when membership had dropped to a low number and those left were considering folding. Her response to such an idea was an emphatic "No!!" and she asked for another year to revive things. She did and now we boast 14 members. We are slowly growing.
