## CONGRATULATIONS

### Crookston Dawn to Dusk Lions Club Earns Top District Award

Lions International recognized the Crookston Dawn to Dusk Club with a letter from Dr. Tae-Sup Lee, Past International President and Chair of Campaign Sight First II. The letter in part says “Your club has achieved the highest total per-capita giving to Campaign SightFirst II of any club in your district.” “In recognition of this tremendous accomplishment, I am pleased to present your club with the CSFII Chairperson’s Top Club Award banner patch and I commend your club leadership for this outstanding accomplishment.”

The letter goes on to say, “On behalf of Lions Clubs International, Lions Clubs International Foundation, Lions the world over, and those who will benefit from your gift, please accept this award as a token of our appreciation.” “It signifies not only your club’s outstanding contribution to the success of Campaign SightFirst II, but also its dedication to the ideals of Lionism and as Lions; we have the power to change the world through SightFirst.”

Our club was very pleased to receive this highest Per-capita giving award in 5M-11 and was able to give several Melvin Jones Fellowships. Those receiving the Melvin Jones plaque award of the Crookston Dawn to Dusk Lions Club were:
